

## President's Message

The Western Open will be celebrating its 42nd contest on October 23-25, 2025, back at the Red Bluff Elks Lodge. We look forward to seeing our Fiddle Family as we get together to share our music. RV parking with electric and water hookups with a dump station on site is available at the Elks and you do not need to pre-register. Just come into the hall and chase me down and I'll get you registered. You may pre-register to compete if you like, but again, feel free to come into the hall starting Thursday afternoon and we can get you registered. Check out the tentative schedule on the website to find out the approximate time you will be competing. We added a Junior Junior Picking Division this year and tried to keep all of the divisions for the youngsters on Saturday.

We are very excited to announce our judges: Aaron Lowe, Spokane WA; Starr McMullen, Corvallis OR; Katy Bridges, Sebastopol CA; Dan Touchstone, San Diego CA; and Lucie Benham, Redding CA. Our headquarters hotel is the Comfort Suites. Please call them directly at 530-529-7060 for reservations and be sure to mention that you're part of our Fiddle Family. Hope to see all of you in a few short weeks at the Western Open Fiddle Championships!

*Sharon*

PS Did you hear that Wayne Agnew had died recently? He will surely be missed.

## Western Open Coming Soon!

## District One Activities by Anne Michels

In District 1 (aka The Oroville Old Time Fiddlers) we have been keeping active and enjoying our music! We currently have 48 members (35 primary, 5 spouses, 8 children). We continue to have a monthly jam on the 4<sup>th</sup> Sunday of the month and generally have 10 - 20 in attendance. After a circle jam lasting 90 minutes, we take a pizza break. We offer an opportunity for small groups to perform on stage during the pizza break. The circle jam will resume after the performances if there is enough time and energy.

District 1 continues to offer a fiddle workshop once a month, on the 2<sup>nd</sup> Friday in the evening. The workshop has recently focused on guitar backup for fiddle tunes, and playing backup fiddle.

## District 4 - Small but Mighty! by Pat Nelson

District 4 is small but mighty! We continue to meet (mostly) on the first Sunday of the month.

In September, we welcomed back Ben Stave, one of our intrepid bass players. Ben, 16, spent the summer as a life guard in Huntington Beach and was mighty busy on the summer weekends.

We also welcomed back Jim Maurer, who missed several jams due to knee surgery. Jim (and his walker!) made the drive from south county and made the hill on my driveway. Glad to have you back, Jim!

Thanks go out to our members who bring treats to share every month. We are indeed a well-fed group. Happy fall to everyone!

District 1 has developed three small performing groups from within our membership. These groups take turns performing at a local rest home on a monthly basis. One of our small groups may begin playing at a local coffee house once a month to increase awareness of our organization. We are exploring the possibility of playing once or twice a month during lunchtime at the Senior Citizens Center. We usually have two or three community events that we perform at during the Christmas season (which will be here before we know it!)

We try to attract more people, especially young people, to join us by offering music scholarships and an instrument lending library

*Gary Lindberg keeps the beat in District 1!*

## District 5 News by Jeff Gebhardt

Congratulations are in order for all District #5 members who attended and completed in the National Old Time Fiddle Contest in Weiser this year. In some of the toughest competition in the country, Eric Malme placed 11th in the Senior category and Eric Anderson placed 10th in the Adult division while also winning the Fanciest Fiddling Category! And, of course, thanks to Lyle Dixson, our District 5 State Representative, for his video coverage of the event.

Our members, in addition to participating in the monthly Orgevale Grange meetings, have been contributing to local communities by sharing old time music performances with them. A shout out to Rick Fairall who has organized a monthly jam at the Eskaton Gold River Senior home where many of our members play to a very appreciative audience. Also, kudos to Mel Chapman who has set up a monthly jam at Holly's Hill Winery located in the beautiful hills near Placerville. Attached are some photos of our recent jams. Thanks to all our members for their continued attendance and support.

# District 7 Finale by Dan Touchstone

District 7, which we have always referred to as our "fiddle club," held its final meeting and jam session on June 26. At that point, our membership had dwindled to fewer than five members.

As you may have heard, many of our key founding members have recently left us for greener pastures. Last fall, we also lost our monthly meeting and jam venue. But even before that, attendance at the jams had dropped to three or four musicians, sometimes none of whom played the guitar. Lacking a slate of officers, we elected to terminate the club in accordance with the California State Old Time Fiddle Association bylaws.

Our final gathering was a combination memorial service for long-time member Cathy Wolf, who passed away in April, and a catered lunch and jam that included several members of the San Diego Bluegrass Association, who were there to offer their support. It was an appropriate but sad send-off for all of us.

Our club was founded over fifty years ago by some wonderful musicians and patrons of old-time fiddle music in the San Diego area. Some of our more famous early members included Stuart Duncan of bluegrass fame. Other members who are no longer with us include Ernie Yoes, Willie Randel, Robbie Ivy, Chuck Murtomaki, Bob Shields, Sam Necochea, Leon Touchstone, and Don Bidwell. Fred Lohmann, Carol McCollum, Bob Henry, and Larry Edwards are founders who continue to be active fiddle players. Our membership has included several national champion fiddle players, such as Starr McMullen, who continues to compete, and Hughie Smith, who still performs his music regularly. but have many very fond memories and look forward to more music.

I personally wish to thank Lee Schweighauser, our long-time membership director, for keeping us all together these last few years. And I thank Lee Fowler and Paul Wolf for being at our jams every month to support our music. A tribute also goes out to Dale Desmuke for playing backup guitar so we could fiddle around.
